

OFFICE FOR STRATEGY MANAGEMENT

June 10, 2013

Honorable CESAR L. VILLANUEVA
Commissioner
Governance Commission for GOCCs
Room 479 Mabini Hall
Malacañang Compound, Manila

Dear **Commissioner Villanueva**:

This has reference to the validation of compliance of Metropolitan Waterworks Sewerage System Regulatory Office (MWSS – RO) relative to Section 6 of ARTA of 2007

The MWSS – RO was reported by our CSC validator to have no frontline services as its mandate is to monitor the concessionaires' compliance with their service obligations under the Concession Agreement between the Metropolitan Waterworks and Sewerage System Corporate Office and the two water concessionaires, Manila Water Company, Inc. and Maynilad Water Services, Inc. The MWSS RO is in the business of ensuring continuous supply of safe, reasonably priced water and environment –friendly sewerage system through effective regulation.

Thank you.

Very truly yours,

VICTORIA F. ESBER
